

Get on board....
Hebron Weekday Preschool

Dear Parents:

Below you will find a link for the current car seat/booster seat guidelines for The State of Georgia. Please read these guidelines thoroughly and make sure that you are using the correct safety seat for your child. Also, please note that we reserve the right not to place a child into your car without the proper safety seat. Furthermore, if someone else will be transporting your child, they will need to have the proper safety seat in their car as well.

After reading the guidelines, please sign below acknowledging that you have read and agree to abide by such guidelines while transporting your child to and from preschool. We will need one signed acknowledgement per child.

Sincerely,

Beth Adams, Director

Hebron Weekday Preschool
