2. Make every effort to keep abreast of events and meetings of the Hebron Sports Ministry and cooperate with the administrative requirements of managing or coaching a team in the league.

Standards of Behavior

1. Consistently demonstrate a positive role model to players and parents with a positive attitude, good sportsmanship, even temperament and professionally and constructively discuss any disputed rule violation with umpires/officials, (judgment calls are not debatable).
2. Under no circumstances is physical contact acceptable in a confrontational/disciplinary situation.
3. Unsportsmanlike conduct, obscene language or unruly behavior on the part of the coaches, fans, umpires or players will not be tolerated.
4. Alcoholic beverages of any form are not allowed at Hebron games or any Hebron function.
5. All tobacco products are not allowed inside the field/gym areas or at any Hebron function.
6. Although coaches cannot be responsible for the conduct of other adults, as a manager/coach, you should take the necessary actions to intervene and counsel parents/fans of players from your team whenever possible. Said parents/fans are subject to ejection from the park per the host park rules.

Violation of these standards will result in disciplinary action taken by Hebron Administration.

The person under said suspension must remove him/her self from the game in question.

As such, I do hereby agree to abide by the Mission Statement and philosophies of the Hebron Sports Ministry and the Rules as established by the Administration of Hebron Sports Ministry.

I also agree to support and adhere to the Hebron Sports Ministry Code of Conduct and Standards of Behavior expectations.
