

HEBRON CHURCH YEAR-END CONTRIBUTION NOTICE

As we approach the end of 2018, please be aware that any contributions received in the mail postmarked December 31, 2018, or prior will be posted to 2018 contribution records. As required by the IRS, any contributions hand delivered to the church on January 1, 2019, or later, even though the check is dated December 31, 2018 or prior will be posted to 2019.

As our offices are closed from December 24, 2018-January 1, 2019, please make sure all contributions and donations are postmarked no later than December 31, 2018. Donations made through our website or through your bank's online bill pay service will not be credited to your 2018 contribution record if they do not reach the church's account by December 31, 2018.

To ensure the deductibility of your church contributions, please do not file your 2018 income tax return until you have either downloaded your statement from Hebron's portal or received a written acknowledgment of your contributions from the church. You may lose a deduction for some contributions if you file your tax return before obtaining a written acknowledgment of your contributions from the church.

Thank you for your continued support of the ministries of Hebron Baptist Church.
