Car Seat

Below you will find a link for the current car seat/booster seat guidelines for The State of Georgia. Please read these guidelines thoroughly and make sure that you are using the correct safety seat for your child/children. Also, please note that we reserve the right not to place a child/children into your car without the proper safety seat. Furthermore, if someone else will be transporting your child/children, they will need to have the proper safety seat in their car as well. After reading the guidelines, please sign below acknowledging that you have read and agree to abide by such guidelines while transporting your child/children to and from preschool. We will need one signed acknowledgement per family.
