**Generational Disciple Making:
The Mission of Humanity and the Ministry of Motherhood
Genesis 1:26-31**

Passage in a Sentence: As God's image bearers, we were made to worship, obey, and reproduce, filling the earth with His goodness and glory through cultivating a right relationship to Him and to other image bearers.

Main Application of the Message: In our broken world this process of reproducing rightly ordered worship and obedience is known as disciple-making and it was intended to begin in the home and spread from there to the ends of the earth.

Sermon Points

- I. WE WERE MADE TO WORSHIP GOD.
- II. WE WERE MADE TO OBEY GOD.
