Dr. Landon Dowden

### **SERMON-BASED CURRICULUM**

#### **LOVING ACCOUNTABILITY**

As we partnered with God this past week to \_\_\_\_\_, what did He do? How did He work in and through us?

#### **DISCUSSION QUESTIONS FOR JOHN 1:6-13**

1. In what way did God use His Spirit and His Word in your life this morning?
2. List all the truths about God you can find in these verses that could be used to fuel your worship of God.
3. Why should we be amazed that God sent both John and Jesus?
4. Why does it matter that God kept His promise to send someone to prepare the way for the King?
5. Why is Christianity not just a “leap of faith”?
6. As witnesses, why is it important that Christ increases but we decrease?
7. How often do you contemplate the eternal ruin of those who reject Christ? Why should we consider it perhaps more often than we do?
8. Who is someone you know who is currently rejecting Christ?
9. Of all the ways God could have chosen to advance His gospel, why do you think He chose to use His people as His witnesses?
10. Why is saving faith more than just a “leap in the dark?”
11. Why is it significant that God not only provides atonement but adoption?
12. How often do you consider your adoption in Christ and all the privileges that come with it?
13. What should knowing we are born of God’s will (and not of blood, the flesh, or the will of man) produce in our lives?
14. As we consider being sent as God’s witnesses is there anyone specifically for whom we can join you in praying for their salvation?

#### **APPLICATION**

This week, by God’s grace and in His power, we will \_\_\_\_\_.
