

Titus2 Mentoring

Our goal is to call every woman, young and old, to more. We exist to help generations journey together through intentional relationships focused on Him, calling women to a higher vision, a more abundant life, and a deeper relationship with Christ.

Titus2 Core Elements

Connecting with your Heavenly Father as you pursue a relationship with Him with your mentor as she intentionally invests in you with fellow mentees through monthly group meetings and peer challenges.

Meetings:

Titus2 small groups: 1 mentor for 2-4 mentees, in a similar stage of life.

You will meet once a month in the mentor's home for approximately 3 hours.

One-on-one meetings are scheduled twice during the session with your mentor.

Memorizing Scripture:

Hiding the Word of God away in your heart through scripture memorization and meditation allows you to stand on God's promises and claim His Truths.

Reading a Book

Each month a book is specifically chosen on a relevant topic for your small group of ladies.

Married mentees:

You will have a marriage exercise designed to deepen your marriage and help you focus on your relationship throughout the month. You will also have a date night that focuses on intentional conversation with your husband.

Single mentees:

You will have peer exercises that pair you with another person in your group to discuss specific topics.

Commitment:

The program lasts nine months and covers nine different topics, one topic a month.

Retreat:

Overnight retreat in the 2nd or 3rd month to share faith stories and help build relationships between the mentor and mentees. This will not involve any large money expenditure for you.

We are praying for each one of you that God will draw those He intends to be in this program. Seek His Guidance and then Trust and Obey. For everyone that does COMMIT, we believe it will be a life-changing experience and will impact generations to come.
