

HEBRON NEXTGEN MILESTONES

We want to see those in our NextGen Ministries, and their families, know the gospel, grow in the gospel, and go with the gospel.

- By knowing the gospel, we mean growing in their knowledge of the Word, of key doctrines, and in their understanding of the gospel.
- By growing in the gospel, we mean living their faith through their identity in Christ, joyful obedience, accountability, and spiritual fruit.
- By going with the gospel, we mean making disciples through evangelism and discipleship, local and global missions, and serving our faith family and our community.
- We believe knowing, growing, and going with the gospel happens best as families pursue these together.
