### **SERMON-BASED CURRICULUM**

#### **LOVING ACCOUNTABILITY**

As we partnered with God this past week to \_\_\_\_\_, what did He do? How did He work in and through us?

#### **DISCUSSION QUESTIONS FOR 1 PETER 2:1-10**

1. What major point from the sermon stood out to you?
2. Are you able to "track" seasons of growth in your life as a disciple of Jesus?
3. Are we able to describe to others the role that Jesus plays in our life?
4. In our different settings (family, social, work), would the non-Christians be able to describe anything distinct about us that reflects the reality of us following Christ as Lord?
5. How do we know that we have "tasted that the Lord is good," as verse 3 says?
6. Why is Jesus called a cornerstone and his followers living stones in verses 4-6?
7. What difference does being a child of God make in verses 9-10?
8. What other ideas from the sermon resonated with you?
9. How are you going to live differently because of this passage of Scripture this week?
