DISCUSSION QUESTIONS FOR TITUS 2:1-6

1. In what way(s) did God speak to you today through His Spirit and His Word?
2. Who is someone that has helped you grow in Christ? How did that mentorship begin?
3. Why does becoming a godly man or woman happen intentionally and not accidentally?
4. Why is it significant that Paul tells the mature men and women to train the younger men and women and not just Titus to do all the training?
5. Why do you think Paul mentions sound doctrine so many times in his letter to Titus (1:9, 13; 2:1, 8, 10)? Is sound doctrine any less important in our day?
6. Why does Paul connect sound doctrine with how older men and women and younger men and women in the church should be living and relating to one another?
7. Why are these relationships crucial for the Word of God not being reviled (2:5)? Is there any way our lives could be fuel for the reviling of God or His Word?
8. What stands out to you about the list of characteristics in either the older men and women or the younger men and women?
9. What gospel relationships are you intentionally pursuing at Hebron?
10. What, if anything, is holding you back from both mentoring someone else and being mentored by another person?
11. Why is God's grace so important for Titus 2 and our ability to obey this text?
