### **SERMON-BASED CURRICULUM**

#### **LOVING ACCOUNTABILITY**

As we partnered with God this past week to \_\_\_\_\_, what did He do? How did He work in and through us?

#### **DISCUSSION QUESTIONS FOR COLOSSIANS 1:19-23**

1. In what way(s) did God speak to you today through His Spirit and His Word?
2. Why is it such a big deal that in Christ the fullness of God was pleased to dwell?
3. Why do we sometimes become desensitized to the wonders of “God with us” and “God for us?” Why are both truths so amazing?
4. Why does reconciliation have to be both initiated and accomplished by God?
5. Why is it important to always remember that without Christ we would be alienated, hostile in mind, and doing evil? What bearing should this have on our sharing the gospel with others?
6. Why is our reconciliation only possible through the body and blood of Jesus?
7. Why, if ever, do we have difficulty believing we can actually be holy, blameless, and above reproach?
8. If we are reconciled by God for relationship with God, what should this look like on a daily basis?
9. Why is the hope of the gospel more than just our escaping hell and enjoying Heaven?
10. What tempts you most to shift from the hope of the gospel?
11. How can we help each other persevere in the gospel?
12. How can we help each other proclaim the gospel?
13. Who is hearing the gospel from us?
