EASTER 2024**

1. In what way(s) did God speak to you today through His Spirit and His Word?

3. Why are you convinced Christ was really raised from the grave?
4. Why is the resurrection of Christ necessary and not just His life and death?
5. What comfort can we take in knowing that Christ will never die again but reigns over death and will one day fully remove death?
6. Why are repentance and faith necessary for our being united to Christ and His life, death, and resurrection?
7. What does knowing that if you are united to Christ by faith then death will not have the final word over you currently mean to you? How can this truth fuel hope in the most devastating of diagnoses or painful providences?
8. How is Christ's resurrection power evident in the way you live each day? Are you living in freedom from sin's dominion and is the fruit of Christ being produced in and through you in increasing measure?
9. What difficulty, if any, are you having in counting yourself dead to sin but alive to God?
10. What does presenting your life to God (your eyes, your mind, your mouth, your time, your talents, your resources, etc.) look like daily?
11. With whom do you need to share the gospel today?
