1. In what way(s) did God speak to you today through His Spirit and His Word?
2. How are you living for Christ on a daily basis? How does your life consist of joyfully serving the Lord rather than serving yourself?
3. What, if any, areas of your life would you not want others to imitate?
4. How are you sharing God's Word with others rather than shrinking back from giving them Truth?
5. With whom are you consistently communicating the gospel?
6. With whom are you withholding Biblical Truth?
7. What should we do if we are "drawing lines in the sand" and telling Jesus we will only follow Him "this far?"
8. What are some next steps of obedience you believe you are being called to as you follow Christ?
9. What, if anything, are you valuing more than Christ?
10. How can you support the pastors/elders in caring for our faith family? How can you help care for ALL of the flock?
