

School Prayer Guide

As you pray for our schools...

- Ask the Lord to provide the principals and administrators with wisdom to lead well and to make decisions that will be for the good of those entrusted to their care.
- Ask the Lord to provide teachers with joy, patience, kindness, perseverance, understanding, and wisdom as they seek to equip those entrusted to them.
- Ask the Lord to help our students understand what they are being taught; to grow in favor with their teachers and their peers; to seek ways they can serve others; and to make the most of every gospel opportunity they are given each day.
