Program Philosophy

The Hebron Baptist Church Weekday Preschool was founded as a ministry to young children and families of Hebron and the community. We provide a loving, Christian environment where children can grow spiritually, socially, emotionally, intellectually, and physically. Our primary goal is to teach children Biblical truths and cultivate a love for Jesus. We believe that all children grow and develop at their own rate, and we strive to meet the individual learning needs of each child.

Our Purpose and Curriculum

We provide a learning environment, based on a Biblical worldview, that supports the spiritual, physical, emotional, and mental developmental needs of our students. Our curriculum offers a balance of reading and math readiness, guided play activities, Spanish and science enrichment, music and movement, STEM activities, technology, creative artwork, outdoor play, and socialization.

Students experience the opportunity to grow spiritually through daily Bible lessons and scripture memorization. Biblical truths are integrated in our daily lessons and activities as well as monthly chapel. Each child will be encouraged to grow and develop, while being nurtured and appreciated for his or her own unique gifts. A Bible curriculum guide is used as our core curriculum and is enhanced by Abeka workbooks as well as additional early childhood resources.

HEBRON WEEKDAY PRESCHOOL PARENT HANDBOOK

STATEMENT OF FAITH

One God

We believe there is one God: The Father, the Son, and the Holy Spirit, who subsist in unity and also as three separate distinct Persons.

Jesus Christ Is God's Son

We believe Jesus Christ is God's Son. He was born of a virgin as both God and man, lived a sinless life, died to atone for the sins of human beings, was buried, arose from the grave, ascended into heaven, and will literally return to earth.

The Holy Spirit

We believe the Holy Spirit is the divine helper, assistant, counselor and instructor and His work is to reveal Christ, to convict of sin, to lead to repentance, to guide believers, to comfort, to strengthen, and to sanctify the soul.

The Bible

We believe the Bible is God's Holy Word, without error and is the sole authority for life.

Man's Need for God

We believe human beings are the special creations of God, made in His image. They fell through the sin of the first man, Adam, and all human beings are sinners in need of salvation.

Salvation

We believe salvation is a gift through repentance toward God and faith in Jesus Christ. Every person who is truly saved is eternally secure in the Lord Jesus Christ and will spend eternity in heaven, while those who die in their sins will spend eternity in hell.

Baptism

We believe baptism is by immersion after salvation and is done in obedience to Jesus Christ's command.

Believer's Access to God

We believe each believer has direct access to God through the Lord Jesus Christ.

The Church

We believe the Church is a local body of baptized believers with the Lord Jesus Christ as the Head.

Marriage and Sexuality

We believe that term 'marriage' has only one meaning and that is marriage sanctioned by God which joins one man and one woman in a single, exclusive union, as delineated in Scripture.

We believe that God intends sexual intimacy to only occur between a man and a woman who are married to each other. We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality, such as adultery, fornication, homosexuality, bisexual conduct, bestiality, incest, pornography or any attempt to change one's sex, or disagreement with one's

HEBRON WEEKDAY PRESCHOOL PARENT HANDBOOK

biological sex, is sinful and offensive to God.

We believe that in order to preserve the function and integrity of the church as the local Body of Christ, and to provide a biblical role model to the church members and the community, it is imperative that all persons employed by the church in any capacity, or who serve as volunteers, should abide by and agree to this Statement on Marriage and Sexuality and conduct themselves accordingly.

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ.

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with scripture nor the doctrines of the church.

HEBRON WEEKDAY PRESCHOOL PARENT HANDBOOK

Admissions/Eligibility

Children eighteen months of age to five years of age are eligible to enroll in the program. Admission requirements and enrollment procedures are as follows:

1. A child must be the class age by September 1 to be admitted.
2. The child will remain in that age level class for the entire year.
3. Classes are filled on a first-come, first-serve basis according to the date of enrollment with the Director.
4. Families currently enrolled must be in good financial standing before re-enrolling.
5. Prior to acceptance in our program, the administration may request, at their discretion, an interview to evaluate the readiness of a child to enroll in our structured learning environment.
6. Three and four-year-olds must be potty trained and be able to independently attend to their bathroom needs.
7. Children must be able to speak/communicate in English.

Registration forms and a non-refundable registration fee must be submitted for a child to be registered in our program. To be fully enrolled in our program, all enrollment forms, release forms, fees, and immunization records must be completed and submitted to the preschool office. Hebron Weekday Preschool does not accept any student whose enrollment application or other required paperwork is incomplete.

Hebron Weekday Preschool reserves the right to decline admission to, or withdraw from our program, any child that we believe we do not have adequate resources to serve appropriately.

Conditions of Enrollment and Acceptance

Our staff is not trained in special educational needs including learning disabilities or behavioral, social, physical, or emotional challenges. Once enrolled, students are expected to adhere to the classroom behavioral guidelines and expectations. Students must be able to handle classroom structure including not being disruptive during learning times, the ability to stay seated during seat work, and to show respect to staff and other children in the program. To protect the learning environment of all students in the class, teachers and assistants are unable to devote one-on-one assistance to a child who may require continual redirection.

HEBRON WEEKDAY PRESCHOOL PARENT HANDBOOK

Days and Hours of Operation

The Weekday Preschool Program begins the first Tuesday after Labor Day and continues until the second Thursday in May. Hours of operation are from 8:00 am until 1:30 pm

Monday–Thursday. Actual class times vary depending on your child’s age level and carpool schedule.

Withdrawal

The Weekday Preschool Director must receive thirty-day written notice for all student withdrawals. Full payment must be made through the month of withdrawal. Should you decide to withdraw your child in April, you will be responsible for both April and May’s tuition. If the Director fails to be notified as stated above, the child will be considered absent, and the parents will be responsible for the tuition. Parents who withdraw without a 30-day written notice, or who withdraw with a balance due, may not be eligible for re-enrollment or enrollment of any child.

Dismissal from Program

Hebron Weekday Preschool reserves the right to dismiss any student who has continually disruptive behavior. Such reasons may include but are not limited to violation of classroom guidelines and expectations such as continual kicking, biting, spitting, verbal misbehavior, or refusal to follow directions. Further reasons for a child’s dismissal from the program would be failure of parents or guardians to adhere to school policies, misrepresentations, or omissions on enrollment forms or in other interactions with the preschool staff, failure to pay tuition/or application fee in a timely manner, and the school’s inability to meet the special needs of a student.

Financial Policy

Tuition is a yearly fee divided into ten equal monthly payments. The first payment was made at the time of registration. The remaining balance can be paid in either one payment in August or with nine monthly payments beginning in August and ending in April. Monthly tuition payments are due on the first day of each month and considered late after the fifth. There is a late fee of \$25.00 for all late payments unless previous arrangements have been made. Accounts thirty days in arrears will result in dismissal from the program. Tuition must be paid in full by April 5th for students to participate in year-end activities including graduation. If an account is not paid in full by the last day of the preschool year, the child will not be allowed to attend preschool the following year until the account is paid in full. Tuition is paid online using a credit or debit card only and additional processing fees may apply.

HEBRON WEEKDAY PRESCHOOL PARENT HANDBOOK

Inclement Weather and Emergency Closures

Hebron Weekday Preschool reserves the right to close school or classes for reasons including but not limited to inclement weather, power outages, community crisis, pandemic, etc. Should Hebron Weekday Preschool close, refunds will not be issued for periods of time less than two weeks. If school closings exceed two weeks, Hebron Weekday Preschool will communicate available options with families. In some circumstances, digital learning may be available. Closures lasting longer than two weeks in which digital resources are not available will result in the option of tuition credits and/or reimbursements based on actual school days missed that exceed two weeks. All credits will be issued the last week of school in May for students who are currently enrolled at that time and whose accounts are in good standing. School days missed due to mandated quarantine (local or federal) are not included in this policy.

Regarding inclement weather: if Gwinnett County Schools or Hebron Christian Academy (either one, not necessarily both) are closed, then HWP will be closed as well. These school closings are listed on the local television stations and should be quickly available for you. HWP does not make-up snow days.

In addition, we reserve the right to cancel preschool if we have any safety concerns or issues regarding our facility. Occasionally, this might require preschool to be cancelled with short notice to our parents (*i.e., power or water outage, iced parking lot, etc.*)

Carpool (Delivery and Pick Up)

All children must participate in carpool. You will be given a personal car security tag at orientation. This should be visible for teachers to see during carpool (*hang from rearview mirror*). Children will not be released to anyone without the security tag unless prior arrangements have been made, preferably in writing to the Director. Children need to be dropped off and picked up in their designated carpool(s). If you come after the designated carpool times, you will need to check in/pick up your child at the preschool office.

Please be on time for arrival and dismissal. Our classes start promptly after carpool ends. A child needs to be on time in the morning so he/she can enjoy all the planned activities and may become anxious or upset if you are late at dismissal. There is a charge of \$1 per minute after the second afternoon tardy.

Guests/Visitors on Campus

Parents of Hebron Weekday Preschool (aka HWP) students are always welcome at the school; however, we request that you schedule an appointment with your child's teacher for a classroom visit or teacher conference. We also limit visitors during peak season for flu, Covid, other illnesses in our area.

HEBRON WEEKDAY PRESCHOOL PARENT HANDBOOK

During normal school hours, we remain in lockdown, and you must ring a doorbell or use the QR scan code located at the main entrance for HWP. Please allow time for a staff member to assist you.

HWP is a closed campus, and we do not allow strangers to be in the buildings during school hours unless they are escorted. Children will not be released to anyone without a security tag unless prior arrangements have been made, preferably in writing to the child's teacher or an administrative team member.

Emergency Evacuation/Relocation

Should the need arise to evacuate the premises, all students and faculty will evacuate to a place on campus designated by HWP Security or Gwinnett County emergency personnel. Teachers and assistants will accompany students and will contact parents with location and procedures for picking up. A carpool tag or picture ID will be required for a student to be released. Examples of situations that may cause an emergency evacuation may include but are not limited to a gas leak, a substantial water leak, fire alarm, a bomb threat, etc. Each teacher has an emergency file containing student contact information. It is the responsibility of each parent to inform the HWP office and the classroom teacher of any changes to their contact information.

Health Information

State Regulations require each child to have the following on file: Form 3231 *"Certificate of Immunization"* signed by the child's healthcare provider. This can be obtained from the health department or your doctor's office. We must have this form for your child to start our program and will need updated forms as your child receives immunizations throughout the year. We must also have a Medical Information Form, authorizing emergency care and transfer of medical records to the local hospital for each child who attends the program.

Please do not bring your child to school ill including: a rash, fever above 98.6, pink eye, runny nose, bad cough, diarrhea, vomiting, or trouble breathing, etc. If your child complains of not feeling well, please keep them at home for the day and alert the preschool of the reason for absence. Should a student become ill during the day, the parent/guardian will be notified and should pick up the child as soon as possible (no longer than 45 minutes unless there are extenuating circumstances). The child will be removed from the classroom and kept under adult supervision until the parent or authorized adult arrives.

Children should not return to school until they are symptom free, without the assistance of fever-reducing medication, for 24 hours. If your child goes to the doctor, please bring a doctor's note stating the diagnosis and when the child may return to preschool. We reserve the right to request a doctor's note for all illnesses. If a child contracts a communicable disease and potentially exposes other children, parents of potentially exposed children will be notified. The child will not be readmitted until the contagion has passed per a doctor's note, as well as all CDC guidelines stating appropriate return date are followed.

HEBRON WEEKDAY PRESCHOOL PARENT HANDBOOK

Medication

Personnel of Hebron Weekday Preschool will only administer medication if it is necessary during school hours. Such medication would include an inhaler and EpiPen. For any medication to be dispensed, it must be in the original container with dosage instructions on the label. A parent or legal guardian must complete a Medicine Release Form which can be obtained from a member of the administrative team. Please note that we are not trained in diabetic care and cannot administer insulin shots.

Life-Threatening Allergies

It is the desire of HWP to help support the well-being of our students who have life-threatening allergies. In most cases, the life-threatening allergy of a HWP student involves an allergic reaction to peanuts or peanut products. It should be clearly noted that HWP is not a “peanut-free” campus.

Parent/Guardian Responsibilities:

- Inform the school in writing of the student’s life-threatening allergy. Unless and until such notice is received by HWP from the parent/guardian, the school will be presumed to have no knowledge of any student’s life-threatening allergy.
- Supply up-to-date equipment (e.g., epinephrine injectors) and other necessary medications (e.g., Benadryl).
- Update the school of any allergy status changes.
- Make sure the student knows his/her life-threatening allergy triggers and can identify and avoid such triggers as age appropriate. This would include but not limited to snacks provided in class and lunches brought by the student and peers.

For those students about whom HWP has been given notice, as stated above, HWP will implement the following policy and procedures. No precautions other than those stated below will be taken to protect a student from an adverse reaction due to a life-threatening allergy. HWP assumes no responsibility to take extraordinary precautions of any kind relative to any student’s allergy.

- If medically necessary, a student will be seated at a table in their classroom that is free from a known allergen for contact purposes. However, the allergen could be present within the classroom and could present as an airborne allergen reaction.
- HWP makes no commitment that food anywhere in our facilities, including the student’s classroom, will be free of life-threatening food allergy triggers, such as peanut products or products containing gluten or other allergens. Food allergy products, including peanuts, will not be banned from HWP, so it would be reasonable to expect that students, at one time or another and to one degree or another, will have some exposure to food allergy trigger products. This policy does not provide or allow assurance that such food allergy trigger products will not be present on HWP campus.

HEBRON WEEKDAY PRESCHOOL PARENT HANDBOOK

Lunch/Shareable Food

Parents will be asked to send in a lunch with a drink for their child each day. Please make sure you include utensils and hot or cold packs in the lunch box when needed. We do not have access to microwaves, refrigerators, or cups. Please make sure that foods such as fruits, vegetables, hot dogs, etc. are cut into slim, bite-sized pieces and not sent in whole or round as they could be a potential choking hazard.

Any food sent in to be shared with classmates or staff (i.e., birthday snacks, special events), must be in a sealed pre-packaged container. Please make sure labels showing ingredients are attached and seals are not opened. No food prepared from home can be shared at school.

Tote Bags

All one- and two-year-olds who are not potty-trained need a fully stocked diaper bag including a juice cup and a complete change of clothes (weather appropriate).

All other preschool children should have a book bag with a complete change of clothes (weather appropriate). Rolling book bags are not allowed.

Dress

Children are encouraged to wear play clothes and comfortable shoes. Daily activities include creative play, which may require them to be active and get messy. We want children to be comfortable and to enjoy themselves without worrying about their clothes. Also, please place your child's name on all outdoor wear such as coats, jackets, and hats. Please do not send children in open toed or backless shoes (*i.e., flip flops, sandals, or rubber/foam shoes*).

Children must always have a complete change of clothing in their tote bag. The change of clothing should be appropriate for the season and should include socks. Clothing should be placed in a labeled resealable plastic bag. At this age, "accidents" can happen at any time. If a child needs a change of clothes and none are provided in their bag, a parent will need to bring clothes to school.

Toys

Please do not let your child bring toys from home unless the teacher asks you to do so for a special occasion. The toys distract children from planned activities and upset them when they get lost or broken.

HEBRON WEEKDAY PRESCHOOL PARENT HANDBOOK

Potty Training

Two-year-olds will be encouraged when potty training begins. Please communicate with your child's teacher if you have a specific potty routine for your child at home.

Three- and four-year-olds must be potty trained and be able to independently attend to their potty needs. These age groups have a structured learning environment that does not allow time for changing diapers or pull-ups.

Discipline Policy

We use behavior systems that reward appropriate behavior and give consequences for unacceptable behavior. Each age level uses a "green, yellow, red" system. Children start each day on green and the object is to stay on green to receive a reward. If unacceptable behavior occurs, the child will move their card, clip, etc. to yellow and then red if necessary. Children remaining on green for the specified period (daily or weekly) receive a reward. You will receive a detailed explanation of the behavior system used for your child's age division by the teacher at parent orientation.

Children not cooperating in a group-listening situation will be seated by a teacher and reminded of acceptable behavior. Redirection may also be a useful tool to move a child from unacceptable to acceptable behavior.

We will also use a "thinking chair" for unacceptable behavior. The child will be offered a choice to comply with rules or be separated from his/her friends for a brief time. Children will be encouraged to use this time to think about what the appropriate behavior would be, and teachers will discuss better choices.

Corporal punishment is not an acceptable method of dealing with young children's behavior in a preschool environment and is not tolerated in our program.

If the teacher finds that a child is having continual unacceptable behavior, the parent will be contacted. If the problem persists and is detrimental to the child or other children in the class, we may require that the child be removed from the class or program.

Confidentiality of Records

Children's records are open only to the child's teachers, the director, authorized staff of Hebron Baptist Church, and the parents/guardians.

To protect the privacy of our students, Hebron Weekday Preschool requests that families only share pictures/videos of their own child when posting on social media.

You may, from time to time, receive information via email or regular mail from various ministries of Hebron Baptist Church.

HEBRON WEEKDAY PRESCHOOL PARENT HANDBOOK

Suspected Child Abuse

We are mandatory reporters and thus required by law to report any suspected child abuse to local law enforcement authorities.

Policy Changes

The school reserves the right to revise its policies and procedures at any time without prior notice. Parents will be notified in the event changes are made.

Communication with Parents

This booklet has been supplied to answer many of your questions. Should others arise, please do not hesitate to contact our offices. Parents will also be informed of activities through monthly newsletters, calendars, and notices.

Two parent-teacher conferences will be scheduled: one conference in the fall and one in the spring. Additional conferences may be requested if deemed necessary.

Revised 04/22/2025
